## ANOTHER INFAMOUS LIE NAILED!

THE FALSITY OF THE CHARGES MADE IN THE "BERICHTER" AGAINST COLONELS ROBERT McFARLANE AND GEORGE A. BAYARD, ESTABLISHED!—THEIR MILITARY RECORD SUSTAINED BY THE OFFICERS AND SOLDIERS OF THE 148TH REGT., PA. VOLS,

(*From the Centre Berichter.*)

"EDITOR BERICHTER; *Dear Sir:* The Bellefonte REPUBLICAN of this week calls my article in your paper of the 22d, inst., "a contemptible libel and slander." "A charge which no true soldier of the 148th Regt., would make against Col. M'Farlane." At the same time charging Hon. P. Gray Meek as being the writer thereof, which is a falsehood, as you Mr. Editor well know.

As the questions asked in that letter were not answered by the *pseudo* Doctor, I will answer them. The "*brave*" Col. M'Farlane (so-called by the "Bellefonte REPUBLICAN") at the fight of Chancellorsville, (our first engagement) was somewhere inspecting whiskey for his own use, and came to the Regiment shortly before the retreat to Penna. Col. Cross, then our Brigade Commander, ordered Lieut. Col. M'Farlane under arrest for inefficiency and unsoldier-like conduct on the march to Gettysburg, and placed Col. M'Kean of the 81st Pa. Regt., in command of our Regiment. At the time of the Gettysburg battle, this same "*brave*" Col. McFarlane was in the rear-rank with the *STRAGGLERS* minus his sword. This was the end of the *valiant* Col. As to the truth of the above statement I refer them to Gen. Jas. A. Beaver, Maj. Fairlamb, Maj. Foster, Col. Bayard, or any member then with the 148th Regt., will testify, and honest men and soldiers will swear to it if need be. In short this "BRAVE" Col. McFarlane, never used his sword in defence of his Country, never smelt rebel powder, never was *near* a battle, never saw a rebel. He was a *drunkard, a Coward, a straggler*, a nuisance. To the truth of this, the above gentlemen will testify, as it is the truth the whole truth and nothing but the truth.

I also noticed in the same paper, Col. Geo. A. Bayard, (Republican candidate for County Treasurer) mentioned as a member of the 148th Regt., as being "a true, fearless and faithful soldier." True, he was a member, and a fearless soldier, so 'fearless' that he soon left himself be taken prisoner, and did not return until the war was ended. The REPUBLICAN, also says: "If you want a County Treasurer in every way qualified, vote for G. A. Bayard." Member of Co. "H." how is that? An Officer that could not make out his Muster-in roll, or write a Pass, or scarcely able to write his own name. To the truth of this Capt. Montgomery, will testify, and others who knew him, and were there. This same Geo. Bayard, is now engaged in the Foundry business in Bellefonte, and his Clerk said he could not as much as make an entry in the Day Book, or charge a Plough Shear. To the truth of this, his hands will testify. Tax-payers of Centre County, do you want such a Treasurer? A man that travels from one Rum shop to the other leaving money, hoping it may bring that success he thinks otherwise he would lose. Democrats of Centre county, the above named Republican candidates, are a pair of the "*valiant braves*" who threatened your lives, calling you Copperheads, rebels, traitors, &c. Honest Democrats, Republicans, people of Centre county, vote the whole Democratic ticket, those are the men who work for the interest of the laboring men.

A PRIVATE of the 148th REGT."
Sept. 30, 1871.

We the undersigned, late soldiers of the 148th Reg't. Pa. Vol., referred to, in the above charges against Col. McFarlane and Bayard, do hereby give to these ACCUSATIONS our most EMPHATIC AND INDIGNANT DENIAL and TESTIFY that BOTH OFFICERS were FAITHFUL in camp and on the march, and BRAVE AND GALLANT SOLDIERS on the BATTLE FIELD.

GEN. JAS. A. BEAVER.
COL. GEO. A. FAIRLAMB.
CAPT. H. H. MONTGOMERY.
HENRY ECKINROTH.
CAPT. ISAAC LYTLE.
RICHARD MILES, JR.
CAPT. MARTIN DOLAN.
J. T. LEE.

GEO. L. POTTER, Operating Surgeon, 1st Division 2d Army Corps, Surgeon in Chief 4th Brigade, 1st division 2d Army Corps.

Col. Geo. A. Bayard, also attests the truth of the above denial.

It is almost useless to add any comments to the above. The men, whose names are signed to the denial of the base, cowardly and false charges made against Col. Robt. McFarlane, and Maj. Geo. A. Bayard, in the "Berichter" article, are well known to every citizen in the county, and especially to every soldier. And the fact that THEY, brand the article as being infamously false, and the writer of it a vile, cowardly libeller, is all the refutation necessary.

We however venture to say, that the writer of the libel was NO SOLDIER. He may have been in the sutler business, a vulture, feeding on honest and good soldiers earnings, or he may have been a HOSPITAL BUMMER, or a constant inmate of the guard house. But we repeat, he was NO SOLDIER. Will any soldier, or honest man, vote to support a party that resorts to such gross, villainous, defamation of men and character?

## Republicans Remember.

REPUBLICANS REMEMBER, that the whole nation is looking with intent interest, and awaiting anxiously, to hear your verdict from Pennsylvania, given strongly in favor of the government, on the 10th inst.

REMEMBER, that by a full vote, you will perpetuate the present administration of public affairs and secure the payment of the national debt, at the rate of over $13,500,000 dollars per month.

REMEMBEB, that by a full vote in Centre county, you will secure the speedy reduction of the SIX MILL TAX, and the overthrow of the Court House Ring.

REMEMBER, that the only way you will get rid of the SIX MILL TAX, in Centre county, and get defaulting tax collectors exposed and punished, will be, by getting out every Republican vote in the county, on Tuesday the 10th inst.

REMEMBER, that every vote cast by a Republican soldier, in favor of Wm. McCandless, is a vote cast for a man, who in 1864, voted that you should not, and had no right to, vote while you were in the army, and thus declared that you were no better than a penitentiary convict.

REMEMBER, Republicans, laboring men, that every vote polled for the Democratic ticket, is a vote in favor of free-trade.

REMEMBER, that the only way Ku-Kluxism can be put down, and the rights of every citizen of the United States, however humble or poor, may be protected, respected and secure, will be for you to do your whole duty the day of the election, and put Pennsylvania at the head of the list of the States that have voted this fall, in sending up the largest Republican majority.

DEMOCRATS REMEMBER, HONEST DEMOCRATS OF CENTRE, REMEMBER, that if you vote for P. G. Meek, you vote for the man who FORGED the LYTLE-CHAMBERS LETTER; that you vote for the man who thereby defrauded your party out of their choice for a candidate for the legislature; that you vote for the man who defeated John H. Orvis, by forgery, bribery and corruption; that you vote for the man who received $1,400 for robbing the citizens of Centre county, (owners of Big Sandy) out of their rights, and conferring a corporate monopoly upon Welsh and Allen, at that time citizens of Clinton county; that you vote for the man WHO CRACKS the PARTY WHIP over you, and dares you to vote against him.

HONEST DEMOCRATS REMEMBER, that if you vote for Meek, you thereby ENDORSE his crime of FORGERY; his corruption and bribery, and encourage him to cheat and swindle you, as often as he pleases to do so with impunity. And then don't you become a party to his crime and corruption? HONEST DEMOCRATS how can YOU vote for P. G. Meek?

THERE should be one Republican in the board of County Commissioners. His duty should be to make the Democratic Commissioners honest, and to prevent such jobs as the new Jail.

THE Republican nominees for Auditor General and Suvreyor General are both men of integrity and experience in public life. Both have served their country well and honorably. Above all they represent the principles of the Republican party, and should, therefore, receive every Republican vote.

The men who nominated M'Candless, and Cooper are the notorious enemies of the protective tariff. Their election will plant Pennsylvania squarely in the list of anti-tariff States. Mechanics, iron men, manufacturers, if you want free trade absolute, vote for M'Candless and Cooper.

Do not leave one Republican at home.

### MEEK'S LYING CIRCULAR—SECTION NO. 4.

Meek in his lying circular, has an article in relation to the Lytle-Chambers letter, entitled Lie No. 4. Said article is a weaker attempt to answer our charges against him for forging said letter at Millheim, than, that made in the *Watchman* week before last. When he assigned as a reason for not calling somebody a thieving, cowardly liar, was, that the charges had not been made by a decent radical. How does his circular answer the charge of forgery against him? It simply republishes a letter purporting to be written by Isaac Lytle, which we charged Meek, with re-writing, changing and altering to so great an extent that it is not what it purports to be, a letter written by Lytle, but it is simply the publication of MEEK'S FORGED LETTER NO. 2. Which we can prove by Lytle & J. H. Orvis, who has a copy of the original letter as written by Lytle, and by the Typo who set the type. Then the letter as published does not deny that Meek, forged the letter at Millheim that "cooked Orvis kettle." But Meek, would cover up his crime, of forgery, and shun investigation, by raising the hue and cry of stop thief!

We simply refer honest Democrats, whom *Meek* did defraud out of their choice of a candidate for the legislature to the record, as it has been presented in all the County papers.

VOTE to reduce the six mills tax.

"The Democrats of New Jersey have made a sensible "new departure." Several candidates offered themselves for the nomination for Governor, but the Convention took up Joel Parker, who had never solicited a vote. So be it ever in Democratic Conventions."—*Democratic Watchman, Sept. 29.*

Take that ye Democratic nominating convention of Centre county. This is the passive kick Meek now makes at the gullies and dupes, that nominated him, the fourth time for the Legislature, against the custom and usages of the party.

Unlike Joel Parker, he did solicit a nomination and got it over better and more deserving men, and "so be it ever" says Meek, when I am up for office in Democratic Conventions in Centre Co. But let no one else be served the same way. You were right in applying the one term principle to Judges Allison and Hosterman and Mr. Kline and others.

"So be it ever in Democratic Conventions. It is the true principle with such cattle, and you must put the one term principle in operation against the officers in the Court House next year. I have several friends, to whom I have promised these offices, and they must have them, as they are all busy at work to re-elect me. In fact they assisted me in "Cooking up J. H. Orvis, with the aid of the forged Lytle-Chambers letter. If Orvis plays fair towards me in this election, he shall be my sucessor next year, as R. B. Petriken and myself formed the Senatorial District to suit ourselves, and we must therefore, be the next Senators. With this understanding you will have no difficulty in finding Joel Parkers in Centre.

Remember one term is the watchword and let the Court House office holders take notice, and let the fate of Allison, Hosterman and Kline, be a warning. So be it ever, says Peter G. Meek. Oh! selfish Meek! Oh Lordling! Meek!!

VOTE for your friends—the whole Republican ticket.

## TAMMANY.

The power of the Tammany ring is broken, at last. It is falling to pieces with the weight of its own corruptions. The stupendous thievings there unearthed never had a parallel in the world's history. Forbearance ceased to be a virtue, and the people without distinction of party have combined to crush out the thieves. The debt of the city is $147,718,870. It has increased during the two and a half years of the Hall administration $63,028,427. Most of this has gone into the pockets of the ring, and to the support of the Democratic party at large.

LET every Republican voter go to the polls, and see that his neighbor goes, on October 10th, and Centre county will be redeemed, the SIX MILL TAX reduced, and *defaulting tax collectors*, made disgorge their $40,000 due the county. Be up then, and a doing from now till the election.

## MEEK'S LYING CIRCULAR---ALLEN'S AFFIDAVIT.

In Meek's lying circular, he publishes the following affidavit of W. L. Allen:

AFFIDAVIT.

The following affidavit squelches LIE No. 3 completely:

CENTRE COUNTY, SS:

Personally appeared before me, a Justice of the Peace, in and for Centre county, W. L. Allen, who being duly sworn according to law, deposes and says, that he *never agreed* to pay P. G. Meek, any sum of money for his services in securing the passage of the bill, incorporating the Sandy Run Improvement Company, and that he never *did* pay the said P. Gray Meek, one farthing for his services in passing said bill.

Sworn and subscribed before me, this 27th day of Sept. 1871.

W. L. ALLEN.

J. P. GEPHART, Justice.

How does the above affidavit answer any of our charges against Meek, as to his being guilty of corrupt Legislation? Read the affidavit. Does it deny that Meek received *Welsh* and Allen's draft for four hundred dollars, drawn on Wm. Parsons & Son, of Lock Haven, or that Meek pocketed the proceeds of said draft? And that immediately after the receiving of said draft by Meek, the Big Sandy Run Improvement Company, sprang into being, a full fledged, soulless corporate monopoly? The affidavit does not deny one of the above facts or charges. It simply says that *He Wm. L. Allen, individually* never agreed to pay, nor did pay P. G. Meek anything for his getting the Big Sandy Monopoly through the legislature. But does it deny that WELSH AND ALLEN as a firm, never agreed to pay, nor did pay, P. G. Meek for his services in the passage of said bill? Not at all. It don't pretend to deny that fact and that is the charge we make against him, P. G. Meek. Meek always did avoid the truth. But can anything else be expected from the man, who did receive WELSH AND ALLEN'S draft for $400, dated March 25, 1869, and three other drafts amounting to $1000—making in all, the small sum of $1400 dollars, from Welsh and Allen, citizens of Clinton county at the time, for conferring upon them the CORPORATE MONOPOLY of BIG SANDY, regardless of the rights of CITIZENS of CENTRE COUNTY, who owned said Big Sandy Run? Wonder if Meek FORGED Allen's Affidavit? For who can believe a FORGER?

Do not say there is no use in going to the election. Bring out every man. If you do this, rest assured that J. T. Johnston, "the best politician in the county," will be vindicated and his calculation made pretty nearly true. Still better, let us defeat them if we can.

Colonel Beath entered the army a private, and rose to a Lieutenant Coloneley through his skill and bravery. He left a leg upon the field of battle as a proof of his devotion to his country. —*Press.*

Do honest Democrats desire a forger to Represent them in the Legislature next winter? If you vote for Meek, are you not equally guilty?

REMEMBER, voters of Centre county, we have sustained and proven every charge we have made against P. G. Meek.

IN 1863 the disloyal Democracy of Pennsylvania, even when the rebel foe was on our soil, resolved that the States had the right to make terms of peace. Nothing so disgraceful as this surrender platform attaches to the his of American politics.

VOTERS, if you all study your own best interests, you will see that Meek is defeated.

## MEEK AND HIS LIEN LAW.

Meek has issued a circular, in which he publishes a lien law, that he claims should secure him the votes of the laboring men.

Now what does said law do for the laboring man. It is true it provides he shall have a lien upon logs, square timber &c., for his wages, for the period of six months. But what does it do for the contractor? It makes it necessary for him to be a man of wealth or property, or that he give bonds of security, to indemnify the owner of timber lands against the claim or claims of any man he may employ in his job, before he can get a lumber contract.

Tha other day, we heard a lumberman say he had been deprived of a lumber contract, in which he said he could have cleared at least ($1,400) dollars this winter, but he happened to be a poor man, though honest, and Meek's much boasted Lien Law deprived him of the contract, because the owners of the lumber, said they would give no jobs to any POOR man, unless they had ample security to indemnify them against all labor claims, and suits for the same. You see that the law discriminates against the poor man, and in favor of the RICH.

It is a law that subjects every owner of timber to expensive litigation, without any fault of his own. Thus:

If A let a job to B, and B employs C to superintend the job, and C employs hands, then A is liable to be sued, for the wages that C owes his hands, without A's having employed them, or been connected with, or known them in the business at all. Hence it is clear that the law will be a fruitful source of expensive litigation, and will put an absolute blockade on all lumber jobbing. Because owners will not hazard their rights and property without security. We repeat then, that the law discriminates against the interests of the poor man, and is a humbug law.

WHEN a candidate comes to you begging your vote, and backing his solicitations with slanderous stories concerning his opponent, give him a wide berth. The chances are ninety-nine out of a hundred that he is lying, and whether lying or not, a man who will resort to such low expedients is not fit to receive the suffrage of a respectable voter.

We were led to these remarks, from the fact that we have the best of evidence to prove that Col. James F. Weaver, is circulating the most damnable lies against his gentlemanly competitor, Col. Geo. A. Bayard. Col. Weaver agreed not to come down to pot-house politician stories. He has violated his word, if reports be true. Republicans vote for Col. Geo. A. Bayard.

## MEEK TRIES TO HIDE.

Meek expects to cover up his own fraud and corruption, by crying nigger, fraud, Know-nothingism, corruption, &c., and thinks that honest Democrats of Centre, will forget that he tricked them out of their choice for a Legislative candidate But, will they *forget*, and allow themselves to be so easily gulled, and be lashed into the party, by the crack of Peter Gray Meek's party whip?

## Republicans.

READ! READ!! READ!!! The name of every candidate on your ticket, before depositing it on the 10th inst. See to it, that you are not deceived by fraudulent tickets.

REPUBLICANS LOOK OUT for fraudulent tickets, for the man who forges letters so skillfully, and thus defrauds his own party, will send fraudulent tickets broad cast over the county.

MR. RICHARD VAUX and the other gentlemen in the Democratic party says the *Press*, who protest against the "new departure," claim that the platform of the convention of 1868 must be accepted as the principles and objects of the party. Said platform is undisguisedly in favor of free trade.

VOTE for H. P. Trezivulny for County Surveyor.

## BEWARE

OF

## Imposition, Working Lumbermen.

P. Gray Meek, a candidate for the Legislature has put out a circular to prove that he is the friend of the workingmen; that he had a bill passed in the Legislature giving you a *Lien* for your labor in Centre county, and that you should vote for him.

Look at the Act. It is death *to the laborers or middlemen who contract to take out lumber.*

It is a bill in favor of the RICH OWNER of timber land. Already we are feeling the effects of Meek's *Lien Bill.*

The owner of timber land refuses to contract for taking out lumber as formerly.

They tell us that Meek's bill has opened their eyes, and compells them to change their contracts; that they must now enter into a written contract, or they cannot be employed.

One half of us, say the lumbermen, cannot comply with the terms of the Law, and we admit them fair under Meek's Bill.

Why did he not counsult us on the subject?

It is a political trick to procure the votes of the workingmen, while it robs them of work and money. Many of us, by this law, say the workingmen, will be deprived of our winters work in manufacturing lumber; *unless we give bail* for completing our contracts.

"Meek has ruined many of us by his bill and cannot hoodwink and gull us, nor get our votes by such Acts. This he has done to serve himself. We will not vote for him. Say the Lumbermen.

His Bill must be repealed or amended so as to do justice to both sides and we will vote for Col. Robert McFarlane. Elect Col. McFarlane, and we pledge you lumbermen of Centre county, that we will have a constitutional Lien Law passed—one which will do justice to all parties. A bill which will not discriminate in favor of the rich and the land owner as does this humbug, wicked law of Meek's. Workingmen of Centre, we have always been your friend, and you know it.

Do not be gulled by this man Meek, who is an open free trader, and therefore your national enemy. Vote the Republican ticket. Vote for Col. R. M'Farlane and secure all your rights. The Democratic party favors free trade and therefore, favors England cheap labor, instead of protecting home industry. Do not be deceived on humbug Lien Laws.

## REMEMBER,

if meek did forge the LYTLE-CHAMBERS LETTER, then he DID defeat John H. Orvis, by fraud and crime. If Meek did receive the Welsh and Allen DRAFTS, in all, amounting to $1,400 dollars, for getting the Big Sandy Monopoly through, then meek IS GUILTY, of participating in corrupt legislation, and of violating the 6th resolution of the Democratic platform, against private and special legislation. Then, let every honest voter,, Democrat and Republican, REMEMBER, that if he votes for P. G. Meek, he becomes a PARTY TO CORRUPT LEGISLATION, AND THE CRIME OF FORGERY. Is it not an endorsement of the crime itself, if you endorse the man who willfully perpetrated it?

THE Germans of Philadelphia held an immense meeting at Concordia Hall last evening to listen to speeches from Republican candidates. These honest, intelligent citizens have no sympathy for the fraudulent edmocracy and will rebuke that party at the polls next Tuesday overwhelmingly.—*Philadelphia Press.*

VOTE for Andrew Jackson Swartz, if you want the SIX MILLS TAX Reduced.

BELLEFONTE REPUBLICAN.

BELLEFONTE, PA.

# FORGERY, IMPOSITION AND P. G. Meek's Rascality.

P, G. Meek, who forged Captain Lytle's name to the Chambers letter, to "cook J. H. Orvis" his competitor for the nomination to the Legislature, has published in his last *Watchman*, that, "we published and got up a circular which contains the slander upon Col. Weaver."

This we pronounce to be false and that the political Forger P. G. Meek, is also an unmitigated liar.

We did not publish said circular in the REPUBLICAN office, and Meek knew this when he was penning the falsehood.

It appears from the *Watchman* that a hand bill is in circulation addressed to the "Democrats of Centre county in which Col Jas. F. Weaver, the Democratic candidate for county Treasurer, is charged with selling his paper—"The Centre Democrat" to M. P. Crosthwaite one of the leading spirits of the dark lantern know-nothing party of Centre county, in 1854, and for the truth of the facts, Democrats were referredto S. T. Sugart, James Gilliland and others.

Meek gets up a reply to what he terms "a piece of Radical rascality" and asserts that "at the time Mr. Weaver sold the Democratic establishment to Mr. Crosthwaite, the latter gentleman was supposed to be sound in the Democratic faith. He was then the Democratic Register and Recorder" &c.

To this Meek signs the names of S. T. Shugert, J. G. Larimer, Felix Mullen, John H. Morrison, Wm. L. Musser, John Hoffer, and others, dated 26th of September 1871.

The 26th of September 1871, was Tuesday, and if we are informed correctly, the circular in question, was not printed nor circulated on that day. So here is lie No. 1.

Now as respects the signatures. S. T. Shugert, Esq., had not been in Bellefonte for ten days. He has been in Baltimore, Washington city and Philadelphia, and was not *here to sign his name to that paper*, and if he had been he would not have signed it. The placing of his name to Meek's reply, was therefore a forgery.

W. L. Musser did not sign it and knew nothing about it, at that time John Hoffer had been in Philadelphia, and returned the evening before the "Watchman" was circulated, and when we interrogated him about his signing it, he replied he did not sign it, and did not authorize any body to sign his name to it. Declaring that he knew nothing about it, and when we told him the charges made against Col. Weaver, he replied, so far as he knew they were true. That he had just returned from California, a few weeks before the election in 1854, was not a voter and knew nothing about it.

J. G. Larimer has not been in Bellefonte as we are informed, since the circular made its appearance, and if he had been he would not have signed it, as he suffered at that time by being the Democratic candidate for Sheriff. So far then as these names are concerned, and as used by Mr. Meek, they are impositions and forgeries, resorted to by Meek, to cover up his own rascality.

We do know something about the purchase and sale of the Centre Democrat at that time, made by Col. Jas. F. Weaver to M. P. Crosthwaite. We had a hand in it. And immediately after the transfer we became the editor. We therefore, know all the facts, and only for the unprincipled conduct of Peter G. Meek, they might have slept where they have done for the last seventeen years.

It was Meek, who unearthed them.

The facts are these. Mr. Crosthwaite had been elected Register and Recorder by the Democrats in 1851. In 1853 he became dissatisfied with the leaders of the party in this county, and at the October election in 1853 voted for Wm. Harris, the independent candidate for county Treasurer, who was elected.

This aroused the ire of the Democrats, who immediately determined to defeat, or prevent his renomination in 1854. At this time the American party was making headway in several of the States and in many counties in our own State. In the spring of that year (1854) a Council of that party was organized in Bellefonte, and in April, or May, of that year, M. P. Crosthwaite became a Charter member, with many others of the Bellefonte circle and democrats, and were stigmatized as Know-nothings.

At the August court 1854, the Democracy met in convention and nominated their ticket. The week following the American party, which was composed of Democrats and Whigs, put forth their ticket, calling it the Independent Democratic ticket. It was headed with D. C. Boal, Esq., for Assembly; Mordecai Waddle, for Sheriff; Geo. B. Weaver, for Prothonotary; M. P. Crosthwaite, for Register and Recorder, &c., Wm. A. Davidson, for County Commissioner, &c.

After both tickets were in the field, each party prepared for the October battle. During the contest, it was understood that Jas. F. Weaver, was anxious to sell the "Centre Democrat" establishment, and we were selected to sound Mr, Weaver on the subject. We did so! Will any one presume to say that we do not know all about it? Mr. Crosthwaite also saw him and found our statements all correct and that Col. Weaver was willing to sell, provided he obtained his price.

Upon consultation Mr. Crosthwaite was authorized to make the purchase and he did so, with a few minor stipulations: One of which was that Mr. Weaver was to retain the "Centre Democrat," up to the election,and immediately after the election to deliver over and transfer the establishment to Mr. Crosthwaite. These stipulations were carried out by Mr. Weaver, immediately after the election, when he published his valedictory in the "Centre Democrat," and transferred the property.

Mr. Crosthwaite, took possession and I became the Editor, retaining the same name for the paper. [Here, I would state that although I was Editor *defacto* there was an abundance of editorial help and many of the articles that I did note write and disapproved of, were published. Yet I got the blame and censure for them].

The Democratic party had no paper in the County but the German *Democratic Berichter*,and were much displeased, and J. F. Weaver. received his share of their abuse. And we assert without fear of contradiction that no man excelled Felix Mullen, his mildest term for Mr. Weaver, being that "he was a damned traitor." But if he signed Meek's letter he is making amends at this time and takes back the slander.

Here is a place to resume the history of the facts concerning the purchase of the "Centre Democrat" from James F. Weaver in the Summer of 1854. We regret exceedingly that we are under the necessity of stating them; but P. Gray Meek's base and malignant falsehoods and misstatements respecting our course left us no other alternative. We therefore, state the facts.

We respect Col. Weaver, and in fact liked him. We always have been friends and we would not hurt a hair of his head, nor do him a political injury. He may blame the political forger P. Gray Meek, for the explanation. We have kept the facts from all parties for 17 years and should have done so while we lived only for the base and reckless slander of P. G. Meek, in this instance.

Honest Democrats why did Mr. Meek not procure a letter from Col. James F. Weaver, who lives but two miles from Bellefonte, contradicting the said circular, instead of forging the name of Jno. Hoffer, Esq., and others?

He may make fools, and dupes of others, and sign their names to his falsehoods without their knowledge or concent on the eve of an election to carry his point; but he shall not play the forger and political knave on us, or our friends.

W. W. BROWN.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in general Assembly met, and it is hereby enacted by the authority of the same,—That the qualified voters of the several counties of this Commonwealth, at all general, township, Borough and special elections, are hereby hereafter required to vote by tickets, written or printed, or partly printed and partly written, severally classified, as follows: One ticket shall embrace the names of all Judges of Courts voted for, and to be labelled outside, "Judiciary:" one ticket shall embrace the names of all State officers voted for, labelled, "State;" one ticket shall embrace the names of all County officers voted for, including office of Senator, member and members of Assembly, if voted for, and be labelled, "County;" one ticket shall embrace the names of all Township officers voted for, and be labelled "Township;" one ticket shall embrace the names of all Borough officers voted for, and be labelled, "Borough;" and each class shall be deposited in separate ballot-boxes.

☞ There will be no "Borough" or "Township" tickets voted at the general election. ☜

Pursuant to the provisions contained in the 76th section of the act aforesaid, the Judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, produce them at a meeting of one judge from each district, at the Court House, in the borough of Bellefonte, on the third day after the election, being for the present year, on Friday, the 13th day of October next, at the hour of 2 o'clock, P. M., then and there to do and perform those duties required by law of said judges. Also, that when a judge, by sickness or unavoidable accident, is unable to attend said meeting of judges, then the certificate or return shall be taken charge of by one of the inspectors, or clerks of the election of said district, who shall do and perform the duties of said judge unable to attend.

Given under my hand and seal, at my office, in Bellefonte, this 15th day of September, in the year of our Lord one thousand eight hundred and seventy-one, and in the ninety-sixth year of the Independence of the United States.

Dr. WALKER'S CALIFORNIA

# VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. Send for a circular.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

# THE AMERICAN WASHER?

**PRICE $5.50**

THE AMERICAN WASHER SAVES MONEY, TIME, AND DRUDGERY.

The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure.

In calling public attention to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet invented,) are here enumerated.

It is the smallest, most compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours' practice. can thoroughly comprehend and effectualy use it. There is no adjusting, no screws to annoy, no delay in adapting! It is always ready for use! It is a perfect little wonder! It is a miniature giant, doing more work and of a better quality, than the most elaborate and costly. One half of the labor is fully saved by its use, and the clothes will last one-half longer than by the old plan of the rub board. It will wash the largest blanket. Three shirts at a time, washing thoroughly! In a word, the ablution of any fabric, from a Quilt to a Lace Curtain or Cambric Handkerchief, are equally within the capacity of the LITTLE GEM! It can be fastened to any tub and taken of at will.

No matter how deep rooted a prejudice may exist against Washing Machines, the moment this little machine is seen to perform its wonders, all doubts of its cleansing efficacy and utility are banished, and the doubter and detractor at once becomes the fast friends of the machine.

We have testimonials without end, setting forth its numerous advantages over all others, and from hundreds who have thrown aside the unwieldy, useless machines, which have signally failed to accomplish the object promised in prominent and loud sounding advertisements.

It is as perfect for washing as a wringer is for wringing. The price another paramount inducement to purchasers, has been placed so low that it is within the reach of every housekeeper and there is no article of domestic economy that will repay the small investment so soon.

**$5.50.**

All that is asked for this GREAT LABOR SAVER, is a fair trial. We guarantee each machine to do its work perfectly.

## Closing Up The Ranks.

The lines in the Republican ranks are rapidly closing up. There is now no wavering from the lakes to the Delaware. We present an unbroken, an invincible front. From all quarters of the State come cheering words.

In this hour, when defeat stares it in the face—when it is threatened with the loss of its control in the Senate, and with irretrievable disaster in Philadelphia—the Democratic party hopes to deceive its deluded followers into the belief that victory is within their reach. The journals and the leaders entertain no such chimera. They are aware that public sentiment is against them, and that nothing but the most outrageous frauds in the city and the most shameful dereliction of duty by the country Republicans can save them.

The statement that the dissensions among the rural Democracy had been healed in every county but one is false, and only intended to keep up the courage of despairing men. In Carbon, York, Bucks, and Montgomery counties the differences still exist. The honest yeomanry of the country will not be satisfied except with the removal of the corruptionists from office. They feel the fingers of the tax gatherers in their pockets, and know that utter ruin must follow a continuance of Democratic rule. When the leopard changes his spots and the Democracy repent, there will be harmony in the interior. In Schuylkill the Labor Reform ticket is still in the field. It embraces candidates for the Legislature as well as county offices. It will poll a large vote, and the indications are that it will defeat the regular Democracy. In Montour there is a prospect of heavy Republican gains, while even in the benighted Thirteenth Senatorial district, composed of Luzerne, Monroe, and Pike, our candidate may be elected.

This is the contrast presented by the two parties. We are everywhere united and strong, and the opposition everywhere divided and weak. A full vote will be a full triumph.—*Philadelphia Press.*

**A HUNDRED and forty thousand people in Phila., are employed in industries more or less directly dependent for existence upon a protective tariff. Workingmen, vote accordingly.**

## MEEK AND THE LAST WATCHMAN.

Meek writhes in agony. He feels that honest Democrats whom he cheated by FORGERY, are going to rebuke him at the Polls. In his last "Watchman," which he thought would go before the people, unanswered before the election, he uses his "mother tongue," freely. He indulges in very low, base and vile demagoguery. He ridicules christianity, makes wholesale charges, of fraud and corruption, against the Republican party. He appeals in a most lamentable and agonizi g manner, to the party spirit of the Democracy. In order to have honest Democrats forget that he most grossly swindled THEM by FORGING the LYTLE CHAMBERS LETTER, and thus defeating one of Centre county's ablest men, although a Democrat, for the legislature, and foisted himself upon the party, against a popular majority of the same. MEEK HAS NEVER DENIED, AND DON'T PRETEND TO DENY THAT HE FORGED THE LYTLE-CHAMBERS LETTER THAT COOKED ORVIS' KETTLE. Then we appeal to all honest Democrats, who possess any pride in their individual manhood, if Meek's charges of corruption and fraud, don't come with rather an ill-grace from him, the man who stands convicted before the public of base forgery? Why has Meek never refuted the charge we made against him of forgery? We have called upon him to do so, and offered Bush, Orvis and others, as witnesses to prove the truth of the charge.

Honest Democrats and intelligent readers, don't you think it would have been more manly, more high minded, and would it not have evidenced a greater degree of honesty, on the part of P. G. Meek, to have cleared up his own record, from the grave and serious charges, that now stand proven against him, than to have indulged in his low foul-mouthed, scurrilous abuse.

## Voters of Centre County.

Did you ever hear of Meek issuing a LYING CIRCULAR?

Did you ever hear of Meek FORGING the LYTLE-CHAMBERS LETTER?

Did you ever hear of Meek "COOKING JOHN H. ORVIS' KETTLE?"

Did you ever hear of Meek receiving WELSH AND ALLEN DRAFTS amounting to $1400 for creating the BIG SANDY CORPORATE MONOPOLY?

Did you ever hear of Meek trying to trade off COL. J. F. WEAVER, and nearly every other Democratic candidate on the ticket? The man who will swindle his party, you know, would not hesitate long, to trick any of his party's candidates.

Did you ever hear of the Hon. P. G. Meek bidding for the colored vote, by giving them the FREE USE of his HALL for their social hops? If you did not, read last week's CENTRE HALL REPORTER.

REPUBLICANS, DID YOU ever hear the Hon. P. G. Meek say, that he expected some Democrats to cut him, but that he intended to BUY enough REPUBLICAN VOTERS to elect him? WILL REPUBLICANS SELL THEMSELVES FOR A PRICE?

Did you ever hear of Hon. P. G. Meek offering FIVE and TEN DOLLARS a vote, to Republicans this fall? WHAT REPUBLICAN WILL TAKE IT?

**TWENTY millions is the amount stolen by Tammany from New York tax-payers in the past few years. Thirteen millions is the amount by which President Grant's Administration reduced the national debt last month.**

FREE TRADE and ten cents a day for American laborers is the chief plank of the Democratic platform.

## Chairman Fortney's Circular Address.

Fortney in his circular address, swims from shore once more. We quote liberally from it, so *our* readers may be informed.

PARAGRAPH SECOND.

He says: "Danger is all around us." (Ku-Kluxism down South, and Tammanythieves and robbers in the North.) "Those who have been given places of "honor and trust, have dishonored those "places and violated thetrust." (Where is David F. Fortney's, duplicate and the $2,353,04 *trust* money?] "They "have by one fell stroke, after another "taken from us our rights" [What rights have been taken, and from whom? The rights of Democratic defaulting tax-collectors of Centre county, to use the peoples money?] "Quietly but steadily have "they broken down every constitutional "barrier." [What constitutional barrier has been broken down?] "Not content "with having conferred the right of suf-"frage on the negro without your consent, they have given him rights and "privileges superior to the white man." [What rights and privileges superior to White Men? Fortney don't you think you are lying? Christians should not lie.] "We can no longer hold elections under "the sole protection of those of our PROUD "COMMONWEALTH. Her strong arm is "taken from us." [Where is it taken to? Who has it?]

PARAGRAPH THIRD.

"The Republican party pleads guil-"ty to every charge of corruption and "misrule, made against it by the Democratic party." (Fortney don't you know that is FALSE? How about Tammany, and Guernsey, of Williamsport?) and D. F. Fortney's $2,353,04. "That they have stolen millions of "your money is not denied." [Fortney, that is not any more true than, the lie you stated above. How about the $40,000, due the treasury of Centre county, from some sixty defaulting DEMOCRATIC TAX COLLECEORS, one of whom is David F. Fortney?] "Capi-"tol hill festers and stinks in the nos-"trils of an honest people, with the "corruption of men holding office." [True, P. G. Meek was there. He engineered Big Sandy. Didn't he get $1,500 for his vote in committee, on the City Building Commission Bill? If not, the "Age" don't tell the truth.]

PARAGRAPH FOURTH.

"Their favored agent, George O. "Evans, has stolen $300,000 and goes "unpunished; revels in luxury and "wealth on the peoples money." [So does Fortney. Hasn't he $2,353.04 in his hands that belong to the people of Centre county? Hasn't he lived in luxury, and traveled to Rebersburg, Blair county and elsewhere, on the people's money?] "They have "created new and unheard of offices "for those who love to cringe at their "feet." [Did not a Democratic Senate last winter, increase the number of offices for those who love to cringe at their feet—ELEVEN costing the people of the State $50,000 more than the session before.]

PARAGRAPH 6TH

"Democrats will you hang your heads "and shut your eyes to all this "and remain at home, because your "*favorite* has not been NOMINATED?" [Why wasn't your FAVORITE CANDIDATE NOMINATED? Did Meek COOK HIS KETTLE? Was not your favorite Candidate, defeated by *forgery* and base political fraud and corruption?) "It is an immaterial point, "who has been NOMINATED." (Immaterial to whom? To honest democrats of Centre who have been so shamefully swindled by P. G. Meek? We shouldn't think so.]

Fortney also thinks the Democratic party ought to be preserved for great State and National purposes. For what great State and National purposes? Is it for the purpose of carrying out the revolutionary measures asserted in their State and National platforms? And for the purpose of reinaugurating a second rebellion? Or is it for the purpose of getting a second Howell Cobb into the Treasury of the United States; A Floyd Secretary of war: And a Toucy Secretary of the Navy; That they may again rob our Government and leave it bankrupt? If so let voters beware! and vote intelligently.

## IN ADVANCE.

Owing to the importance of the present campaign in Centre county, and the near approach of the election, and in order that some of Meek's glaring falsehoods, published in his last "Watchman" might be exposed, we give this week's REPUBLICAN, to our readers a few days earlier than usual. Issuing it on Monday instead of Wednesday.

**TAX-PAXERS it will pay you to vote for A. J. Swartz. Let us have one Republican in the board.**

WILL you vote for a forger?

## HON. JUDGE BLACK REPUDIATES THE DEMOCRATIC PARTY AND TAKES A "NEW DEPARTURE."

Judge Black is a most distinguished and able jurist, and a prominent leader of the Democratic party. He now admits the corruption of his party, but refuses to sanction it. We find the following in the *York Gazette*, which we ask all honest Democrats to read:

*To the Editor of the York Gazette:*

As I have taken no part in county politics it is not of much consequence what I think about the tickets. The rumor on the streets, which the Republican speaks of, is not worth either a contradiction or a verification. But since you ask me to define my position I will do so.

The horrible and disgusting frauds in New York have done more to grieve and dishearten the friends of good government than any other thing that has occurred within my recollection. To save the Democratic party alive, it must repudiate these scoundrels utterly; and that is precisely what the Democrats of New York will do next Thursday. If they fail to do it, they will go down to political perdition.

It has been publicly and openly charged that frauds and peculation of a character as infamous as those in New York have been perpetrated in Old York. I have no means of determining whether the charges are true or false.

If these things have been done at all they have been done here as everywhere else by what is called a "Ring"—that is to say a corrupt combination who share the profits among them and defend and strengthen one another by manufacturing public opinion with money plundered from the public treasury. If anybody connected with this ring or in the least degree under its influence is on the Democratic ticket, it is the duty of every honest man and every true member of the party to oppose him steadfastly. * * * * * It is the business of the voters to see whether any candidate for a county office is likely to be used for the purposes of the ring, and if there is the least danger of that, *or if he has not given safe pledges to expose all corruption wherever he finds it, let him be scratched remorselessly.*

J. S. BLACK.

Honest Democrats of Centre, examine your ticket. Is there a man on it that is corrupt? Judge Black says, SCRATCH HIM.

## WILL WONDERS NEVER CEASE?

The last new Departure is, Felix Mullen, endorses Know-nothingism as sound Democracy. A man just elected on the know nothing ticket over the Democratic nomination, "is sound in the Democratic faith" and not even suspected of "contemplating treachery to the party" and "was looked upon as a Democrat of undoubted honor and attachment to *our* [Democratic] principles."

While the lamp holds out to burn
The vilest sinner may return.

THE Republican creed—"a pure and untrammeled ballot, where every man entitled to a vote may do so just once at each election, without fear of molestation or proscription on account of his politics, faith, nativity, or color."

MANY valuable horses die from the effects of colic. The best thing to do in a case of this kind is to pour a bottle of *Johnson's Anodyne Liniment* into a long-necked junk bottle, add half pint of molasses and water, then pour the whole down the horse's throat. In ten minutes the horse will begin to eat.

*Parsons' Purgative Pills* will greatly relieve, if not entirely cure, dyspepsia when everything else fails. They have been tried in some desperate cases, and have given more relief than any other medicine.

REPUBLICANS, give the whole of Tuesday to the election. A day cannot be MORE PROFITABLY SPENT than in making a bold effort to ROUTE THE "RING," and put down the SIX-MILL TAX.

VOTE for Col. George A. Bayard, the Brave Soldier. He is competent and worthy. Does not claim your votes because he is poor. He asks them on the grounds of principle and competency.

ELECT a Democratic Legislature and the Tax on Farms and real estate generally will be restored. The Republican party repealed that tax, and so long as that party is in power it will remain repealed; but give the power to the Democrats, and their reckless extravagence will compel them to restore this tax.—*Ex.*

READ your ticket from top to bottom, before voting.

LOOK out for spurious or counterfeit tickets.

VOTE for Col. R. M'Farlane.

REMEMBER, Tax-payers of Centre, that neither Col. Jas. F. Weaver or P. G. Meek has contradicted our statements in regard to the sale and transfer of the "Centre Democrat" to M. P. Crosthwaite. We told the truth. Will you vote for Col. Jas. F. Weaver? If so, remember Meek is trading both him and Jno. F. Potter, for votes for Peter G. Meek.

### MR. MEEK AND HIS RECORD—HIS EXPLANATION OF BIG SANDY REVIEWED.

In the REPUBLICAN of the 27th ult., we gave a complete expose of but *one* of Meek's Legislative political sins. Said expose appears again this week, in the REPUBLICAN, and shows conclusively that Meek, both in theory and *practice*, is opposed to the principles of the Democratic party of Centre county, as enunciated, in the sixth resolution of their platform, in relation to *corrupt*, *private* and *special Legislation*. The charges in last week's REPUBLICAN, were substantially:

1st. That meek does not endorse the sixth resolution of the Democratic platform of Centre county, committing the party against special, private, and corrupt Legislation.

2d. That Hon. P. G. Meek, has participated largely in *special*, *private* and *corrupt Legislation*. In proof of the above charges, we cited the official Legislative records, money drafts and the circumstances, surrounding the creation of a corporate monopoly, known as the BIG SANDY IMPROVEMENT COMPANY, by a special Act of Legislation, in March, 1869, conducted by Hon. P. G. Meek, generalissimo of *private Legislation*, through the inscrutable ways of both branches of the Legislature.

The House Journal for the Session of 1869, page 286, shows Meek to be a rushing and skilled Legislator, that he did succeed in creating the BIG SANDY CORPORATION, so far as the House was concerned, by twice moving the suspension of the House rules, in a *single day*.

How does Meek attempt to answer the above charges and explain the record?

1st. He, says he supposes that our expose, covers all his Legislative sins. So far as that is concerned, we simply say the supposition is a very violent one, and that, other sins might be enumerated. Such as Marsh Creek Improvement Company, and his connection with the City Building Commission Bill, of Philadelphia, last session, and others of the same ilk and of greater magnitude.

MEEK'S ADMISSION.

2d. He admits he did have, the SPECIAL ACT PASSED, creating the SANDY RUN CORPORATION MONOPOLY. How was the bill passed? We charged him with passing said Act in fraud of the peoples rights who owned the stream, and in a hasty and illegal manner. Does he deny it? No. Hear him. He says the bill was read in place February 3d, and was not rushed through, hurriedly, but as the *record* shows, was before that body until the 19th of the same month. We would like to know what record Mr. Meek refers to, that shows the facts as stated by him. Was it the record of the House Journal? Meek don't say so. It must be the record of his own, muddled recollection of the facts. Now if the House Journal shows any such record of facts as stated by Meek, why does not he say so, and cite the page, as we did, in proof of the charge that the bill was rushed through hurriedly? Meek does not deny the record as cited, and quoted by us, hence admits its truth. The record as cited by us, shows that the bill, was passed in a *day*, by Meek's moving the suspension of the House rules. We now ask the people to judge whether that is not, rushing a bill through hurriedly?

THE MONEY DRAFTS.

Meek also admits, our charge, that he recieved the money drafts we charged him with receiving from Welsh & Allen, the two poor lumbermen he was so anxious to protect at the expense of the rights of others. Does Meek deny receiving a draft drawn by Welsh & Allen, March 25, 1869, on Wm. Parsons & Sons, for $400 dollars; that said draft was accepted by the drawees, and paid at maturity, and the proceeds, put in Mr. Meek's pocket? That is what we alleged he did. What is his answer to the charge? He says he endorsed for Welsh & Allen, to nearly the amount of two thousand dollars. Endorsed what? Any of the drafts, drawn by them on Parsons & Sons, which he received in connection with the Big Sandy corporation? No. He don't say so. He may have endorsed for Welsh & Allen. But is it very probable that Welsh & Allen, doing business in Centre county, would go all the way to Harrisburg, on March 25, 1869, just at the time there was a deadlock in the Senate, upon which was suspended the life or death of the BIG SANDY CORPORATION, all for the purpose of getting Meek, to accomodate them with his endorsement, upon a draft, for $400 dollars, drawn by them payable to Meek's order, on Wm. Parsons & Sons, who at that time were considered a first class firm financially, and who owed Welsh & Allen, at the time? If so, they must have been hard up. And is it probable if Meek endorsed said draft for the accommodation of Welsh & Allen that Meek, would hold on to the draft, deposit it in bank, and that the proceeds would be put to his own credit? That is rather a new departure, in the law of commercial paper, pertaining to an accommodation endorser. What effect did the endorsement of this draft by Meek, and having it entered to his credit in bank, have upon the *deadlock* in the Senate, as to BIG SANDY? Why behold! Almost immediately the brakes were loosed, and the wheels of Legislation began to move, and the glad tidings of great joy, heralded to Welsh & Allen: The SANDY RUN IMPROVEMENT COMPANY, IS BORN, A SOULLESS CORPORATION.

CONCLUSION.

We appeal to the intelligent readers and voters of Centre county, to bear us out in the following conclusions.

1st. That Meek's answer is a full admission of the truth of every specific charge alleged against him, in last week's REPUBLICAN, in relation to his Legislative record.

2d. That from his own acts and admissions, he is opposed to the sixth resolution of the Democratic County platform, which condemns, private and special Legislation, granting corporate monopolies, because he admits he did have the *special and private* law passed, creating the SANDY RUN IMPROVEMENT COMPANY, A CORPORATE MONOPOLY.

3d. That he did have the House rules, suspended, and said law passed in a day, in a *rushing and hurried manner*, without giving the notice required by law, and regardless of the rights of the owners of the BIG SANDY RUN.

4th. That he admits that he is an actor in, and guilty of corrupt Legislation, inasmuch as he received the Welsh & Allen draft dated march 25, 1869, on Wm. Parsons & Sons, for $400 which he did not endorse to accommodate Welsh & Allen, but the proceeds of which went into his (Meek's) own pocket, as well as the other three drafts of $333,33 dollars each. And neither of those drafts was included in his indorsement of $2,000 dollars, for Welsh & Allen. if he did so endorse.

5th. That the endorsement of the Welsh & Allen draft for $400 dollars, and the putting of the proceeds into Meek's pocket, produced a most magical effect, upon the Senate; resuscitated the smothered bill, and the BIG SANDY was almost immediately thereafter a CORPORATE MONOPOLY in being.

Then will honest Democratic voters of Centre county, who condemn corruption, vote for, or elect a man to the Legislature, whose admitted record as above shown, arrays him directly, against the principles, and platform of their own party?

### WHY DON'T MEEK DENY?

O! for a Radical, or a Democrat, decent enough to charge Meek, with having FORGED THE LYTLE-CHAMBERS LETTER AT MILLHEIM; with having thereby defrauded the majority of the Democrats of Centre county,, out of their choice of a candidate for the Legislature; with having "Cooked John H. Orvis' kettle down there" with said forged letter, in order to get the Hon. P. G. Meek to deny the same. Is it because, there is no person decent enough in Meek's estimation to make the above charges, that he don't deny them?

No. But it is because the facts are too true. Then will honest Democrats vote for Meek the political swindler and forger?

WILL Democrats, after being victimized by crime, corruption and bribery, allow themselves to be made the SLAVE of the CREATURE who thus victimized them?

REMEMBER Republicans, if the Democrats are honest and not corrupt, and you do your whole duty, Meek will not be elected by 500 majority.

From the Democratic *Berichter*.

DEMOCRATS OF CENTRE COUNTY, READ!

## THE COUNTY TREASURER.

The Democratic voters of Centre Co., are aware that by some means JAMES F. WEAVER, ESQ., received the nomination for the office of County Treasurer by our convention held at Bellefonte in August last, and that they are called upon to support him as the nominee of the party. Before giving him our suffrage it might be well to review a little of his past history. Very many Democrats have not forgotten his treason to the party in and about the year 1854, when he was editor and proprietor of the old "Centre Democrat." Democrats will remember that period as being the time of the reign of Know-Nothingism, and that the secret nominating convention of that party, at that time, placed the following ticket in the field, representing to the public that the persons on said ticket were independent candidates:

Assembly—David C. Boal.
Sheriff—Mordica Waddle.
Prothonotary—George B. Weaver.
Register &c—M. P. Crosthwaite.
Commissioner—Henry Keller.

On this ticket GEO. B. WEAVER, the brother of JAS. F. WEAVER, was the Know-Nothing candidate for the office of Prothonotary. This nomination appeared to have had a wonderful effect on the Democracy of Mr. Weaver as the editor of the *Centre Democrat*. He became weak in the knees and gave the Democratic ticket but a lukewarm and equivocal support.

Democrats will remember how about that time the same Mr. Jas. F. Weaver, made arrangements with and *sold out* the "Centre Democrat" printing office to M. P. Crosthwaite, Esq., one of the leading spirits of the dark-lantern Know-nothing party of Centre county, at that time, thus depriving the Democratic party of the county of a political organ until the spring of 1856, when S. T. Shugart, Esq., purchased the printing material for the "Democratic Watchman," which was established at that time and conducted by Henry Hays and Wein Forney. With these facts staring them in the face will Democrats now cast their votes for this same Jas. F. Weaver? Could there be more treasonable conduct committed towards the Democratic party? We boldly assert that he has no right to claim the vote of any Democrat at this time and that no Democrat is bound to support him. He betrayed us once, and that in the very hour of our need, when every Democrat was bound to stand by his party, and not connive with Know-nothingism for the purpose of selling the organ of the party to the enemy. He deserves to be defeated, and that, too by democratic votes.

For the truth of the facts herein stated we refer you to

A Pennsvalley Democrat.

[Comments by *Berichter* Editor.]

"In reference to the above, we would remark that it does not show a true party spirit as it should. That Mr. J. F. Weaver, belonged to the Democratic party, we are convinced, and that he occupied a prominent position in said party. If therefore the above Democrat feels himself slighted in the nomination of J. F. Weaver, he is certainly pursuing a wrong course. We say therefore stick to the ticket, the whole ticket and nothing but the ticket."

STATEMENTS AND FORGERY BY MEEK.

Now, then, let us see what the gentlemen who are cited as authority in the above precious piece of Radical rascality, have to say about it. On Thursday morning we were handed the following letter, with request to publish:

BELLEFONTE, SEPT. 26, 1871.

EDITORS "Democratic Watchman:"

We have just been handed a circular, issued as we have no doubt, out of the REPUBLICAN office in Bellefonte, by authority of the Radical county committee, in which we are refered to as witnesses to prove a charge made against Col. Jas. F. Weaver, that, in the year 1854 he sold the "Centre Democrat" printing office to Mortimer P. Crosthwaite, *knowing* that individual to be a Know-nothing and opponent of the Democratic party We have simply to say that this charge is utterly, untrue. At the time that Mr. Weaver sold the "Democratic" establishment to Mr. Crosthwaite, the latter gentleman was supposed to be sound in the Democratic faith, and no one ever suspected that he was contemplating treachery to the party. He was then the Democratic Register and Recorder, and was looked upon as a Democrat of undoubted honor and attachment to our political principles. In selling to him, Mr. Weaver acted in perfect good faith, having no suspicion that his confidence was so soon to be betrayed.

We write this in simple justice to Col. Weaver, believing him to be an honest and incorruptible man, and a Democrat who would never willingly or knowingly betray the interests of his party. We ask you, Messrs Editors, to give this a prominent place in the "Watchman" and counsel all good Democrats to stand by Col. Weaver firmly and unflinchingly, regardless of the slanders of his enemies, who are also our enemies and the enemies of the Democratic party.

Very truly yours, &c.,

| FELIX MULLEN, | JOHN HOFFER. |

We trust that the above letter is sufficient evidence to convince Democrats, and everybody else, that the lying circular alluded to is only a vile concoction from the prostituted brain of Bill Brown or some other equally low-down personage. It is simply intended to make votes for Bayard among Democrats who are not well informed as to the real circumstances under which the "Centre Democrat" was sold to Crosthwaite, and should not be credited for a single instant. Stick to the ticket, Democrats, and in voting for Col. Weaver you will vote for an honorable, upright christian gentlemen and a Democrat than whom is none better or truer.—"Democratic Watchman."

OUR COMMENTS—THE FACT NAILED.—MEEK A FORGER.

In order that we may not do Colonel Weaver, or any other person injustice, we have copied the circular spoken of by Meek verbatim as we find it in the "Democratic Berichter," signed "A PENNSVALLEY DEMOCRAT." We also copy the comments by the Editor of the "Berichter." Meek attempts a reply. We have also inserted it, with a letter, which he says has "just been handed" to him denying the statements of the "Berichters" correspondent.

We have stated the facts in full in regard to the sale of the "Centre Democrat" to Mr. Crosthwaite, in an article over our own signature. We do not vary much from the Pennsvalley Democrat. We there state that Meek forged the name of S. T. Shugert, Jno. Hoffer and others, to that letter. Mr. Hoffer told us he did not sign it and S. T. Shugart was in Philadelphia, not at home, Mr. Hoffer, was not at home but on his way from the city. Meek forged their names. He is an expert forger.

But suppose Felix Mullen, John H. Morrison, W. L. Musser, and others did sign it. What does their statement amount to? It is simply false, as we can substantiate by a hundred Democrats.

Why did Meek not obtain the names of Daniel Derr, James Macmannus, J. S. Proudfoot, &c., to sign his letter? Were some of these men not asked to sign it? Yes! They refused because they would not sign a lie.

They could not say that "at the time Mr. Weaver sold the "Democrat" establishment to Mr. Crosthwaite, the latter gentleman was supposed to be sound in the Democratic faith." They knew better. They knew Mr. Crosthwaite was defeated in the Democratic convention, in 1854, because he was not sound in the Democratic faith. They also knew that Mr. Crosthwaite, then nobly, mantully, heroically and not "contemplating treachery to the party" came out and fought them openly, and was elected by over 900 majority, and immediately after the election, took possession of the Centre "Democrat." Mr. Crosthwaite never did things treackerously. These are the facts.

Now, we ask if S. T. Shugart, John H. Morrison, Felix Mullen and others, will say that Meek did not forge their names to that letter, what do they certify to? Why simply this plain statement, that after Mortimer P. Crosthwaite, had fought the Democratic party openly and manfully, for over six months—after he had run against the regular Democratic ticket, beating it by over 900 majority, and after these facts were known by every voter in the county, they assert that "he was then" after all this, the Democratic Register and Recorder, and was looked upon as a Democrat of undoubted honor" &c. Bah! Gentlemen. Will you dare say, that you certified to such things? Will you say you signed a paper you knew nothing about? Will you dare say that M. P. Crosthwaite, was "considered a Democrat of undoubted honor" after having run against your ticket, defeating his competitor and the Democratic nominee, Mr. Michael Shaffer, by over 900 majority?

If beating a Democratic nominee, made Mr. Crosthwaite a *good* Democrat, then we want S. T. Shugart, Capt. Morrison, Felix Mullen, &c., to tell us what constitutes a *bad* Democrat. No, gentlemen you did not, you dare not sign any such statement. Meek forged your names and forged them to a falsehood.

Why should he do this? Why should he have such privileges?

Why we ask again, did he not call upon Col. Jas. F. Weaver, and let him make his own statements? Mr. Weaver lives but two miles from town. Simply because he was afraid Mr. Weaver would tell the truth, and the truth never suits Meek. His desire was to mistify this matter, in order that he might trade off Col. Weaver for votes, for this forger Meek.

VOTE for Col. Robert McFarlane. He never forged a letter. He would scorn a bribe. Is not Meek guilty of forgery? Has he not seen corruption? Go to the polls early. Work all day. Work for Col. McFarlane. Work for the whole ticket. Vote the whole ticket. Vote and work and work and vote to rebuke Peter G. Meek, who has made a fortune by passing private bills for a price. Remember we have proved, and he has admitted every charge we made against him. Rebuke Meek.

CAN the people of Centre county, whether they be Democrats or Republicans, afford to pay a SIX MILL TAX, for the purpose of benefiting some sixty or more Democratic, defaulting tax collectors of Centre county, who, according to the Auditors report of January 2d, 1871, published in the *Democratic Watchman*, have in their hands over $40,000 dollars, of the PEOPLES MONEY, due the county; some of it since the year 1864.

## Voters of Centre County.

If you want a man to represent you in the Legislature, who will not devote his time and influence to the passing of Acts for his own benefit or to obtaining special legislation for a consideration, go to the polls and vote for Col. Robert McFarlane.

DEMOCRATS

can you vote for Col. Jas. F. Weaver, a man who is charged with once having betrayed you in selling out your organ, the "Centre Democrat" to a know-nothing? If he betrayed you once, will he not do it again? Would you not rather trust an honest Republican and brave soldier, like Col. Geo. A. Bayard, than a doubtful Democrat? Honest Democrats ponder over these things before you vote for Jas. F. Weaver.

REMEMBER,

if you want a good County Commissioner—if you want your taxes reduced below *six mills* on the dollar, and if you want the finances of the county economically administered, you will vote on the 2d Tuesday of October, for that honest and incorruptable man, Andrew Jackson Swartz.

REMEMBER.

Voters of Centre county, remember it will be a great convenience, and save your time and money, to have one of the Associate Judges in Bellefonte. Therefore, vote for D. M. Wagner,

AND DO NOT FORGET

that Benjamin Ligget, of Liberty township, is running on the same ticket, for the same office. We elect two Associate Judges. Vote for D. M. Wagner and Benjamin Ligget. They are both well qualified for the office. Are both clever, able and competent. If elected we pledge you, that they will discharge the duties of the office, with fairness and impartiality.

REMEMBER

S. Durbin Gray, our candidate for District Attorney, is one of the best young men in our county—a man of high talents, fine legal attainments and will make a first class officer. He is honest, industrious, affable and generous. Democrats of Centre, if you want a good and true man for District Attorney, vote for S. D. Gray.

KEEP IT BEFORE THE PEOPLE,

that H. P. Treziyulny, Esq., is one of the best Surveyors in the county, kind and accommodating, and should be elected. He has filled the office before, rendering general satisfaction.

FOR AUDITOR,

we ask you to vote for that honest and faithful man, James Glenn. This office, although the fees are small, is one of the most responsible offices in the county. It is his duty together with his colleagues, to settle with the Sheriff, the Treasurer and county Commissioners. James Glenn is abundantly qualified, and should be elected. He should be elected for another reason to wit: This office, like the Commissioners office, should have one Republican to make the Ring honest, keep the Democrats straight and watch the interest of the taxpayers.

IN SHORT,

workingmen, farmers, mechanics, independent voters of Centre Co., vote the whole Republican ticket, from Stanton to Glenn, and the result will be a triumphant victory in behalf of the labor interests of the State and county, for honesty and equal rights.

VOTERS OF CENTRE COUNTY, go to the polls, on Tuesday next, October 10th, with the determination, to rebuke crime, corruption, and bribery, and with the determination to put down the SIX MILL TAX party, the twin sister of Tammany, and to teach defaulting tax collectors that they must chip up.

VOTE for Wagner and Ligget.

### MEEK'S LYING CIRCULAR.

Since Meek's lying circular has reached us, in which he makes a futile attempt to answer our charges against him in relation to the Big Sandy. We have received articles of agreement, and statements of facts in writing, from G. W. Welsh, Cline Quigly, and others, which came too late for insertion in this week's paper, in which Cline Quigly, says Meek lies; W. L. Allen says Meek lies! Thomas & Mason say Meek lies; and S. G. Wright attests, that Meek lies! about the *Big Sandy*.

NO ELECTION FOR TOWNSHIP OFFICES.

Your attention is particularly called to the fact that the Act of Assembly fixing the election for township officers at the October election, was repealed last winter, and therefore, there will be no election for township officers this fall.

The township officers will be elected as usual in the Spring of 1872.

Go to the Polls early and stay all day.

## Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the symptom seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attacks of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seemes to breed infection throughout the body, and then on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as **Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia**, and the various **Ulcerous** affections of the muscular and nervous systems.

**Syphilis** or **Venereal** and **Mercurial Diseases** are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. **Leycorrhœa** or **Whites, Uterine Ulcerations**, and **Female Diseases**, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. **Rheumatism** and **Gout**, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also **Liver Complaints; Torpidity, Congestion of Liver**, and **Jaundice**, when arising, as they often do, from the rankling poisons in the blood. This **SARSAPARILLA** is a great restorer for the strength and vigor of the system. Those who are LANGUID and *Listless, Despondent, Sleepless* and troubled with *Nervous Apprehensions or Fears*, or any of the affections symptomatic of **Weakness**, will find immediate relief and convincing evidence of its restorative power upon trial.

# BELLEFONTE REPUBLICAN.

BELLEFONTE, PA.

**Wednesday Morning, October 11, 1871.**

REPUBLICANS of Centre, vote the WHOLE TICKET. Don't scratch a single name.

VOTE for COL. GEORGE A. BAYARD, the BRAVE soldier, for Treasurer. He is Honest, capable, and in every way qualified for the position.

WILL honest Democrats, vote for the man, for the Legislature who swindled them by the crime of forgery? For the man who "cooked Orvis' kettle down there?"

"FRAUDS, FORGERY, AND THEFT" are the principles of modern Democracy, as exemplified in New York, Kentucky, and Louisville, and in York, Carbon, Montgomery, and Bucks counties, Pennsylvania.—*Phila. Press.*

ANY Democrat who votes for Hon. P. G. Meek, votes for the man, who FORGED THE LYTLE-CHAMBERS LETTER at Millheim, and thus cheated him out of his choice for a candidate for the Legislature.

WHAT has the Democratic party, national, State or local, done, that it should be entrusted with power? Has it accomplished one single reform? Has it done anything for the cause of liberty and equality? Has it promoted good government? In short, what are its claims? It offers nothing but promises. It points to no achievement.

### VOTERS OF CENTRE COUNTY.

Voters of Centre County, honest Democrats, and Republicans, be certain to REMEMBER and don't FORGET, that you are being taxed at the rate of SIX MILLS, on every dollar, assessed value of your property because, DEMOCRATIC DEFAULTING TAX COLLECTORS have in their hands, over $40,000 DOLLARS OF YOUR MONEY. If you have any doubt of the truth of the above statement, we refer you to the Auditors' report, published in the *Democratic Watchman* last January.

MEEK'S raises loudly the cry of stop thief in his last *Watchman*. But don't DENY THAT HE RECEIVED THE $1,400 DOLLARS, for his services in creating the BIG SANDY IMPROVEMENT COMPANY, A CORPORATE MONOPOLY. He cries aloud about corruption and fraud, but does he deny that defaulting Democratic tax-collectors, of Centre county, have in their hands some $40,000 dollars of the people's money that should have been paid over years ago? Does he deny that, that is the reason why the the Farmer, and the Laboring man, who owns a house and lot, or an acre ground, pays a tax of SIX MILLS on the same, the heaviest tax the citizens of Centre county pay.

For the REPUBLICAN.

### A HUMBUG LAW.—WORKINGMEN BE NOT DECIEVED.

I notice in the last "Whatchman" an Act of Assembly of which Meek claims to be the honored father, entitled an Act to secure to laborers a lien for their labor in Centre county.

If there is any class of people that should be protected more than others, it is the laboring class.

But does this law add anything to the protection already extended to the laborer? Has not every man that bestows labor on any chattel, a lien on the same for his toil, as long as it remains in his possession, does Meek's, lien law, do anything more?

Consider the law as Meek construes it, and what is the result? Simply this; it discriminates in favor of the rich and against the poor. And why? Because it makes it unsafe to give a log job to a man without he is rich and responsible and no prudent lumber opperator in Centre county would do it, therefore, compelling the lumber manufacturer to give his jobs only to men of property, and the real practical timber maker and log cutter must work for the rich contractor, at his small pittance per day.

Look at the law as you please. Construe it as you may that is the result.

Go to the lumberman of Centre county, either contractors or laborers, and they will tell you the same. They will tell you that the law discriminates against the poor, and in favor of the rich. It should be immediately repealed say they, and its author branded as a deciever, a political trickster who is endeavoring to catch the votes of laboring men with the same bait that anglers would the speckled trout. But Meek, you can't do it. The beautiful feathers and fine spun silk of your Lien law don't cover the point of the treacherous hook you have hid beneath. We wont bite.

LABORING LUMBERMEN.

### REPUBLICAN VICTORIES.

Republicans can find much to encourage them in the coming election. Never since the organization of the party have we had fairer prospects of a complete and overwhelming victory. Before any of the fall elections had been held, we heard bodings of ill from our own ranks, on account of the side-issues in some of the larger Republican States; but the first gun from North Carolina sent a thrill of joy to every Republican heart. If Republicans fight so nobly with a Ku-Klux halter around their necks, why should not their Pennsylvania brethren, at least, do as well? Why should Ohio fall behind? Kentucky brought us a word of cheer. Democracy does not increase in its chosen haunts, and Republicans are not daunted by defeat.

California comes next with really substantial victories. Our former victories in that State had always been such as Maryland gave us. This is the first substantial evidence that the State has "fled from the wrath to come." Maine now comes forward with an old fashioned majority, and large gains in strong Democratic towns. We have nothing to fear except side-issues in Pennsylvania, and but little from them if every earnest Republican will do his duty. Our party was never more united than now. We have too much confidence in the intelligent Republicans of this State to believe that they will permit the State ticket to be jeopardized by local differences.

On the other hand we see the "new departure" arrayed against some of the most sacred tenets of the old Democracy. Tammany has over-reached herself and is denounced on every hand. The New York riot, and the Ogdensburg outrage, divided Democrats and united Republicans.

Let Republicans rally this fall for the last grand charge on their hereditary foes, and next fall Gen Grant will be re-elected amid the disjointed fragments of expiring; Democracy, and the disorganized elements of a new party. The duty of the Republican party will never be done until this party of slavery and rebellion, of deceit and treachery, of fraud and corruption, is dead and buried so deep that neither the name nor the principles may again "plague" the land of civil liberty and political equality.—*Phila. Press.*

IF P. G. Meek wrote or forged the Lytle Chambers letter, which he has not denied, and cannot deny, then he defrauded his own party out of their choice, of a legislative candidate, John H. Orvis, Esq. Then if Meek did defraud his own party, would he, who is capable of chiseling his own party, not be capable of bartering his legislative vote, for money, and freely participating in special legislation? We ask the honest Democrats, and voters to answer the above inquiries, at the election on the 10th day of October next.

THE Democracy have a little Tammany in every county in the State, where vere they dominate. In Berks, York, Bucks, Centre, Clearfield, Monroe, Schuylkill, and other benighted counties not necessary to name, the ruling of the Democracy is a repetition of the robbery so shamefully carried on by the giant Tammany-ites of New York. Experience has established the fact, alike in peace as in war, that there is no rule more economical and just than that of Republican administration. It insures the prosperity of all interests, while it strengthens and promotes the success of the Government.—*State Journal.*

THE Democratic party has shown itself corrupt and extravagant wherever it has been in power. Under Andy Johnson, in our State Senate and worst of all in New York city, its whole history has been a continuous career of dishonesty and peculation, of corruption and downright stealing of the people's money. Can such a party be trusted anywhere? What honest man can vote for a single candidate of such a party?

REMEMBER that the public debt is $250,000,000 less to-day than it was in March, 1869, when General Grant and the Republican party came into full control of the national finances. If you approve of paying off our debt, vote the Republican ticket.

NO RETRENCHMENT or reform says the *Phila., Press*, was ever accomplished through the Democratic party as it is at present constituted. It is the embodiment of fraud and corruption, and Tammany is its best representative.—Strike it down with a shower of ballots.

### WHY DON'T MEEK, EXPLAIN, THE LYTLE CHAMBERS LETTER, SATISFACTORILY TO THE HONEST DEMOCRATS OF CENTRE?

REMEMBER that every vote for the Democratic ticket is a vote for free trade and a reduction of the wages of the American laborer.

HISTORY OF THE WAR IN EUROPE.—The recent War between Germany and France aroused so much interest on the part of our people, that it was generally supposed at the time, that the earliest and best history of that great struggle, would be from the pen of an American author. The National Publishing Co., of Philadelphia, has just issued a very complete and valuable history, bearing the above title. It is from the pen of Mr. James D. McCable, Jr., and is a handsomely bound volume of 800 octavo pages, illustrated with 150 maps, portraits battle scenes, views of prominent localities, *etc.* It is written in a bold, vigorous style, and will, unquestionably, take rank as the standard history of the struggle by an American writer.

Mr. McCabe, has evidently studied his subject deeply, for he writes as an historian, and not as a politician, as one who places facts on record for the verdict of future ages, and not as one who seeks to win the favor of either the Germans or the French of to-day. The great charm of the work is its impartiality, its absolute fidelity to truth. His book fascinates while it instructs, for it tells in graphic and eloquent language, the most wonderful story of modern times. He traces the causes of the war from their origin down to the beginning of hostilities; sets forth the diplomatic history of the prelude to the war, with clearness; and states forcibly, and in detail the causes of the triumph of Germany and the failure of France. The narrative of the great battles which opened the campaign, and hurled the French back upon the interior of their own country; the effect of these reverses upon the French Nation; the frantic efforts to rescue the beaten army, and the terrible disaster of Sedan; the capture of the Emperor Napoleon and an entire army; the Revolution in Paris; the rise and formation of the Republic; the flight of the Empress from Paris; the Siege and surrender of Strasburg and the frontier fortresses of France; the triumphal advance of the German armies to Paris; the Sieges of Metz and Paris in detail; a full diary of events in Paris during the Siege; the campaigns on the Loire and in other parts of France; the peace negotiations; the surrender of Paris and the treaty; the naval history of the war; the history of the formation of the great German Empire; the proclaiming of King William emperor, and the realization of German unity; the civil war and second siege of Paris, with its terrible scenes of bloodshed and vandalism;—all these and other events of the war are related with a graphicness and brilliancy which render this a work of unusual value. The author goes deep into the philosophy of the war and impresses his readers profoundly with the great lessons of the conflict.

The low price at which the book is issued, brings it within the reach of all, and no one wishing to keep abreast of the times should fail to read it. It is sold by subscription only, and Mr. Jesse E. Gilliespie who is the authorized agent for this section is now canvassing for it. Aid him all you can.

LET every Republican voter in the county do his whole duty, from this moment until the Polls close on next Tuesday.

EVERY man familiar with the history of the Democratic party, knows that the Southern always controlled the Northern wing thereof, and that a Southern leading Democrat was and is better authority as to the real meaning and objects of the party, than is a Northern leader. Hence, when A. H. Stephens, in his paper, the Atlanta *Sun*, thus characterizes the "New Departure" doctrine, he not only exposes a fraud, but he shows to what depth of meanness his Northern brethren in politics and sympathizers in treason have gone in order to secure a political victory. What Mr. Stephens says is not complimentary to the managers of the Democratic party, but he nevertheless tells the truth. Hear him:

"We must beg to remind our neighbors that we do not admit that this movement, *concocted* and carried through the Pennsylvania packed convention by a corrupt political Ring; or, in modified forms of expression in other conventions, is approved or sanctioned by *one* in *ten* of the *honest masses* of the Democracy *North*, any more than it is *South*.

Hence, we protest against its being called the "New Departure of the *Northern* Democracy;" as we also protest against our being charged with *warring* against the "Northern Democracy" for *fighting* what the *masses* of the party there approve no more than we do."

Has the *Patriot* any reply to make to this? In the same article from which we quote the above, we find the following in the same strain:

"We do not recognize the *concocters* of this proposition for the Democracy of the Union to "Depart" from those principles, on an "uncompromising adherence" to which we intend to stand, as any "*allies*" of ours; nor do we recognize any of that corrupt ring of political tricksters from whom it emanated, as "*allies*" of the true Democracy."

Stephens knows of what and whom he writes—he knows better than any man living, but the Democracy of the North are trucklers and corrupt, ready to falsify a declaration or betray a trust if the result be to give them power. Hence he denounces the "New Departure" as the fraud which it is, and shows himself too honest to have his party succeed on a falsehood. Honorable men of both parties, will of course regard Mr. Stephens as an honest Democrat, because he is determined to keep the Democratic party where it belongs, *in the work of treason.—State Journal.*

THE Democratic Senate last year had more officers and cost the people thirty-eight thousand dollars more than the preceding Republican Senate. This is the kind of *economical* management the Democracy would introduce if they had control of the Government.

To be on the safe side, vote the whole Republican ticket.

### IN ITS DEATH STRUGGLES.

The Democratic party, as it has existed for the past ten years, is fast dissolving. The attempt to take up a "new departure" from established ways has broken down. The conclusive evidence is that promises in that direction can never be fulfilled, even if the disposition existed to do so. The attempt to consolidate the opposition on a financial policy which shall promise success, and still be in marked contrast with the Republican system, has also resulted in a most ridiculous fiasco. The friends of a radical overturning of the present system are disgusted with the irresolution of the party; and the most conservative portion of the Democracy are alarmed by the revolutionary tendencies of their association. These differences on leading questions of national policy show the tendencies to dissolution which must necessarily work disastrous results the moment they are urged into activity by aggressive and positive movement. So long as the opposition is confined to criticism, it makes considerable noise, and here and there spasmodic demonstrations of power; but the moment they seek to place themselves in an affirmative position, the crooked character of the sticks comprising their bundle of negations becomes apparent. The same fact is evident in the various States, and it accounts for the overwhelming defeats the party everywhere encounters.

The disruption of the New York city Democracy is most complete and thorough in its character. It cannot be patched up, without disgusting every one, and it has gone so far, indeed, that by the very necessities of the case it must be urged to the bitter end. Whatever the Tammany Ring may do, there is a large body of honest Democrats outside who will not be appeased by any half-way measures. The German Democracy demand the overthrow of the entire cabal. Congressman Roosevelt, speaking for the better class of citizens, denounces Sweeny, Tweed, Hall and Connolly with rigid impartiality. The Democracy of the interior are represented to be entirely of the same disposition. The newspapers subsidized by Tammany, and the office-seekers who need Tammany's money and influence, are trying to save the organization from being repudiated. There is but one sentiment, however, among the masses. Nothing less will answer than the annihilation of Tammany; and that Tammany asserts shall not be done by its consent. Here is a rupture which extends through the entire ranks of the party in power. By the side of it, the squabbles of Republican place seekers sink into insignificance. If we have our annoying differences, they have their distructive discords. The Republicans can meet in State Convention, and amicably adjust all their little troubles. The Democracy, on the other hand, will come together with the certainty that compromise is death at the hands of their fellows; and that "war to the knife" upon Tammany would be simple suicide—for as now organized, Tammany is the party.

In Pennsylvania and elsewhere, the people are thoroughly awake to the importance of the issue involved in the present canvass. It is not a struggle between candidates—it is a contest of principles; and the Republican who sacrifices his party fealty to personal spite is unworthy to be called a Republican.—*Harrisburg Telegraph,*

### WE WOULD LIKE TO KNOW, ON WHAT PLATFORM MEEK IS NOW RUNNING? IS IT THE DEMOCRATIC OR REPUBLICAN?

EVERY honest tax-payer, and voter of Centre county, irrespective of party, who wants a speedy reduction of the SIX MILL TAX, and the $40,000 dollars in the hands of DEFAULTING TAX COLLECTORS paid into the county treasury at once and the defaulters taught, that it is a crime to use the public funds for their own use, will certainly vote for ANDREW JACKSON SWARTZ for Commissioner, and COL. GEO. A. BAYARD for Treasurer on the 10th day of October next.

IT is said, Meek is offering from $1,00 to $5,00 to Republicans for their votes. Will any Republican sell himself?

REPUBLICANS of Centre county, vote for Andrew Jackson Swartz, for County Commissioner. Democrats vote for A. J. Swartz. Do this, and we promise you, that next year, we will reduce the County tax from *six mills* as it is to-day, to 2½ mills, what it *was* under Republican rule, before the war. If you want the taxes reduced, vote for A. J. Swartz, for County Commissioner. If you do not want the taxes reduced, continue to act with, the Court House Ring, vote the Democratic ticket, and continue to pay the SIX MILLS tax. Will you listen to reason? If not, go on paying taxes, paying heavy taxes for ever.

REPUBLICANS will you vote for Meek? Will you suffer yourselves to be considered doubtful voters?

### THE KU-KLUX REIGN OF TERROR.

We have recently taken the pains to examine carefully hundreds of pages of the printed testimony taken before the Congressional Committee on Ku-Klux outrages in the Southern States, whose duty it was to ascertain the condition of affairs in those States, so far as it relates to the security of life, person, and property. From a thorough perusal of the voluminous documents containing the sworn testimony of witnesses from various parts of the South and belonging to both political parties, we are irresistibly impelled to the conclusion that the Ku-Klux organization is an adjunct of the Democratic party, established and operated with the view of effecting political results. This seems to be the general purpose of the organization, and the direction in which all their acts point. The substantial declaration made when Ku Klux crimes and outrages were being committed was that their perpetrators and those they claimed to represent did not propose to submit to negro government and carpet bag rule.

Most of the witnesses examined by the Committee have detailed the circumstances of the outrages perpetrated by the Ku Klux upon themselves and a great many others during the last twelve months, and have proved a most terrible and schocking state of affairs to exist in the late insurrectionary States. They have declared that Republicans, white and colored, in their own locality and the country surrounding them were in a state of inexpressible alarm and terror, and that scourgings were of common and constant occurrence, and murders were frequently committed; that they feel no security in their homes at night, and many are in the habit of sleeping in the woods in all kinds of weather.

They testify that they have never known any Ku-Klux outrages to have been perpetrated upon a *Democrat*, and that all Republicans fully understand that they can purchase security by openly proclaiming themselves Democrats and voting the Democratic ticket. Some have been obliged to do so, knowing well what the consequences would be in case of their refusal or non-compliance.

We think that these facts prove conclusively that the spirit of the rebellion still lives in the Southern wing of the Democratic party, and that they prefer to appeal to brute force instead of to the decision of the people through the ballot. Instead of open, armed revolt against the Government and resistance to the execution of law and order, it seems that we are to have systematic lawlessness and intimidation disgraceful to humanity and belying civilization, under the auspices of the Democratic party. It is thus that the Lost Cause is to retrieve itself? If so, we appeal to all fair-minded men in the Democratic party to take at once a "new departure" by voting with the Republidan party and thus refusing to co-operate with the infatuated men who have so basely prostituted their ancient organization.

Let the freemen of the North, irrespective of party, register their decree and pronounce in thunder tones against the organized and systematic diabolism and mob law of the Southern Ku Klux Democracy, who would perpetuate the rebellion in another form and snatch an unholy victory from the very jaws of honorable defeat and surrender. At the ballot-box and in our legislative halls must we, as friends of the Union, fix and secure the logical and legitimate results of the war, so that they will not be upset by the reactionary movements and measures of the Ku Klux and their allies and abettors North and South, if we would not have them become the subjects of new and dangerous struggles again.

DR. STANTON entered the army as Surgeon of the 1st Pennsylvania Cavalry, with the rank of Major, and was afterwards promoted to a lieutenant colonelcy. He was in service through the entire war, and was distinguished for his bravery as well as for his kindness and skill as a surgeon. In one of the cavalry battles of Virginia his horse was shot under him and his clothes pierced with several bullets.

THE tax-payers everywhere are repudiating the Democracy for their dishonesty and corruption, and the laboring people who have so long affiliated with that party, are cutting loose from it, as an organization which is now warring against the protection of American labor, which lately was the champion and apologist of human slavery, and which even for the future contemplates no measure looking to the amelioration of the condition of this most numerous and deserving class of our citizens.

BRING out the whole vote.

### MEEK, EOLTS THE DEMOCRATIC PLATFORM.

Meek again plays the demagogue. In last week's *Watchman*, he arrays himself, against the Democratic platform of Centre county, and bids for votes by jumping astride the Republican platform, in favor of the repeal of the Law Library Act. If meek has been, and is now honest in his opposition to said law, why has he kept silent in regard to it ever since his nomination? Have not the Centre Hall *Reporter*, and the Democratic speakers, John H. Orvis, and others, been arguing in favor of maintaining said law? And do they not construe the Democratic platform of the County, to be in favor of said Law? Then why the flourish of trumpets by Meek? What object has meek in repudiating the Democratic platform, and in coming boldly out and placing himself on the Republican platform at this late day?

Is it not one of Meek's sharp dodges? One of those sleek political tricks of his, second only to that of his Lytle letter? Honest voters of Centre, Democrats and Republicans, will you allow yourselves, to be gulled by the forcible declaration of this political trickster, at this eleventh hour, in favor of the Republican platform? We think not. It is a little too thin. Why, keep so quiet on the Library Law, since your nomination, Mr. Meek? And permit yourself to be so grossly misrepresented, by your party, and your stump speakers up to the present time? Such shrewd political trickery has played out.

Is a man who is capable of forging letters, in order to get the nomination for office, any too good to receive pay for his votes in the Legislature? Or any too good to take part in special legislation, such as the Big Sandy Improvement Company, Marsh Creek Improvement Company, and such like? all of which come under the head of special legislation. We don't think so, and believe the honest voters of Centre county, on the 10th of October, will agree with us.

ON the 10th day of October, do not fail to vote for Col. Geo. A. Bayard. He is honest, capable and therefore worthy. He was a true and a brave soldier, and never betrayed his party nor his friends. Vote for Col. Geo. A. Bayard.

VOTE for Col. Robert McFarlane.
